Subject: Nutley Bridge article of interest
http://www.northjersey.com/news/182311681_Lyndhurst_s_DeJessa_bridges_showing_their_ages.html?c=y&page=1

If the Passaic River Park Avenue Bridge between Nutley and Lyndhurst is replaced with a fixed bridge then dredge loaded barges will be restricted in height and width at mile 10.4.
This appeared in the Dec 6, 2012 print edition of the South Bergenite newspaper.
